

Email Writing

To Dr.Rishitha Eunice,

Subject: Assignment extension request.

Dear Dr.Rishitha,

I am writing to request permission to submit my recent assignment a few days late. Due to unexpected circumstances I was unable to submit it on time.

These sudden issue made impossible for me to finish the work on time. I deeply apologize and ensure that there will no late submission further.

Thank you for your time. I look forward for your response.

Regards,

Borra Harshini
